

The Chicagoland Thunderbirds is the Northern Illinois chapter of the *Vintage Thunderbird Club International*. If you would like to become more involved with your passion for Thunderbirds, and enjoy others with similar interests, then have we got a club for you!

We host a variety of events throughout the year, including car shows, picnics, parties, road rallies, overnight meets with neighboring chapters, plus Regional and International conventions where hundreds of Thunderbird owners get together for formal judging and fun times. Once you become a member and attend a few of our functions, we're certain you will find that we're a great group of friendly people willing to help each other and share a wealth of information.
